EXPLANATORY NOTES

* *Local Government Areas are as used in Commonwealth Census 30th June 1966.*

** *Cities and Municipalities contain Urban Centres of 1,000 persons or more.*

For the 1966 Census, boundaries were placed around all population concentrations which had a 1961 Census non-farm population of 450 persons or more, and around holiday areas which had 250 dwellings or more. Symbols on the maps for all the above localities refer to the 1966 Census results. For other localities symbols are based on the 1961 Census.
